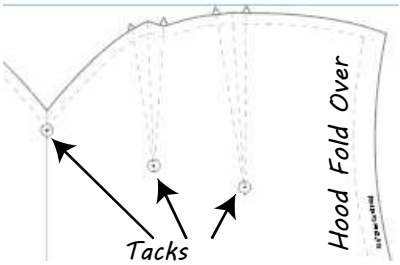
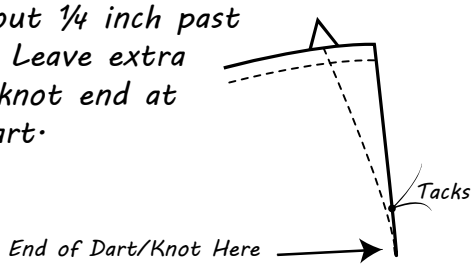
Pattern 1001, 1002, 1003

TOP: HOOD

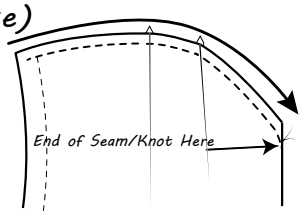
1. Make sure tacks are marked on all darts plus end of top of hood seam. (Total 5)



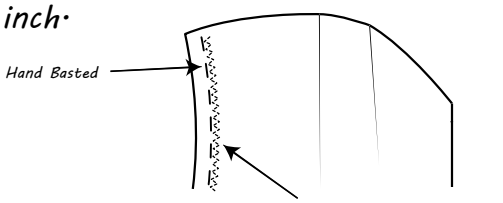
2. Sew 4 darts in the hood (Right Sides Together matching notches). Sew to about ¼ inch past tack mark. Leave extra thread to knot end at point of dart.



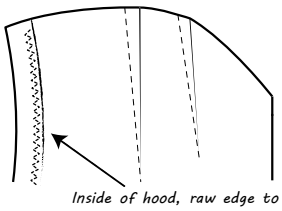
3. Sew top of hood from front to fold in back.
Sew to about ¼ inch past tack mark. (3/8" Seam Allowance)
Overlock or other finish stitch if desired/available.



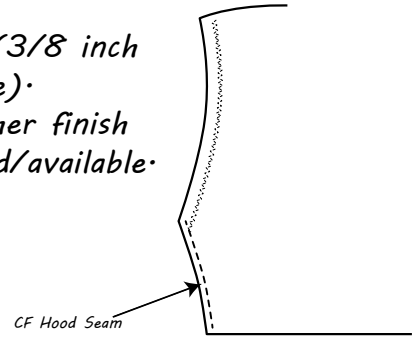
4. Baste Hood Fold (draw cord housing). (3/4 inch Allowance)
Zig Zag stitch fold over at about 3/8-1/4 inch.



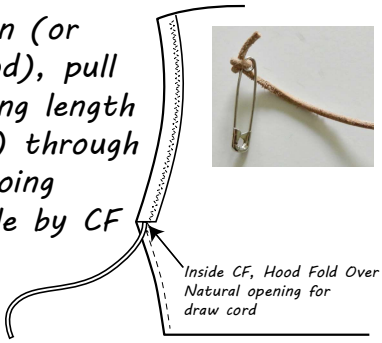
5. Trim extra from inside of Hood Fold Over and remove baste stitches.



6. Sew CF Hood (3/8 inch Seam Allowance). Overlock or other finish stitch if desired/available.



7. Using a Safety Pin (or alternative method), pull draw cord (starting length around 36 inches) through Hood Fold Over going through inside hole by CF seam.



8. Thread draw cord through Toggle. Knot draw cord under toggle and trim cord to desired length.

9. Put hood aside and finish other sections of the shirt before proceeding.
